Practicing Lockdown Procedures

State law requires schools to conduct two lockdown drills per year. Schools conduct a lockdown drill within the first two weeks of the school year, and will conduct another lock-down drill during the first two weeks after winter break. These drills will not be a simulation of a threat and are not intended to scare students. We do want students to take the drills seriously so they are familiar with lockdown routines and procedures.

If you have safety concerns, or notice any gaps in our security, then please tell the school principal. As parents, you have a valuable perspective that can help improve safety procedures. As gaps are identified, we will continuously refine and improve our lockdown procedures. **Judson's lockdown drill will be Wednesday, September 15**

Visiting Our School Office

Our school office is open from 8:00 am - 4:30 pm, Monday through Friday, to assist you with anything you may need. However, we ask that you please call with any questions you may have, and only come to the building if absolutely necessary. Our phone number is 503-399-3201. Due to COVID restrictions and distancing protocols, visitors/parents may not enter the building. If you do need to visit our office, please ring the buzzer on the right hand side of the front door and we will assist you. We will be doing our best to maximize the instruction time. Families can help with this by **NOT** dropping off lunches, birthday treats, flowers or any other deliveries.

Students Arriving Late: Students arriving after 9:20 am (10:20 am on Wednesday) will need to enter through the front door and check in at the Main Office. Parents may call 503-399-3201 to let us know the student is coming, or send the student with a note. You do not need to come in to the building to check them in.

Students Leaving Early: If you need to pick up your student from school early please call the office (503-399-3201) prior to the pick-up time so that we can have your student ready to go. You will need to come to the front entrance and ring the buzzer to the right. Please bring your ID with you as we will be checking ID's before releasing students.

Parent Parking: During the hours of 10:00 am –3:00 pm (11-3 Wednesday) parents may park in the school parking lot if necessary. Please do not park in the Reserved parking spaces even if just for a few minutes.

IMPORTANT Arrival/Dismissal Procedures

Students should arrive between 8:55-9:15 am to ensure students are seated and ready to learn at 9:20 am. On Wednesday, our late start arrival will be 9:55-10:15 am with school starting at 10:20 am.

- The school parking lot will be limited to bus drop-off only. Students who are driven to school and dropped off will use the church parking lot across the street. A crossing guard will direct students crossing Jones Road. Students will then walk to their designated entrance.
- 1. To avoid congestion at the Jones Road entrance, please use the entrance on Lone Oak Road and exit out onto Jones Road, or back out onto Lone Oak Road.
- 2. We ask that you not park in the parking spaces close to Jones Road. It causes congestion as parents try to back out when others are pulling in
- 3. Bikes may be ridden and locked in the bike rack on the south side of the building. Students will need to provide their own lock.
- 4. Any student who arrives after 9:20 am (10:20 am on Wednesday) will need to enter through the front door and check in at the Main Office.

Dismissal will be at 4:00 pm.
